Changing with the tide
Describes our well known past
As we look back upon
Those special memories that will last.

We shouldn't be afraid
As we become something new
New compared to before
Because others are changing too.

We're changing with the tide
As each passing day goes by
Succeeding in our goals
That once seemed so high.

Hi Ho, Hi Ho, it's off to school we go! The final indication that summer came to an end was when students arrived at M.C. High Schoo', during the week of September 8, 9, and 10. Best Part Of The Week

The students at Costa love the weekends more than any thing. It gives them time to relax, catch up on homework, and have a good time. Whether it's going to a football game, the beach, or just hanging out, the weekends are the best part of the week.

Annual Affair

October 9 and 10 was a funfilled weekend for all of Mira Costa students. The Old Hometown Fair has become a tradition for everyone. Students enjoy the many types of foods and the numerous arts and crafts booths. The fair is a place for seeing friends and meeting new people. Although many students were seen relaxing, many others were working hard in the variety of booths clubs represent. Although the fair was short, the memories will last for a long time.

Fashion Statement

It seems that every year, people try to make a fashion statement, whether it's trying to be like everyone else or being the most original. Casual" is the style in which the beach seems to come alive. A day can't go by without seeing a Billabong or Body Glove label. Comfort definately is the name of the game.

Some things never change; boots were the craze again in '87.

*Looking casual, comfortable and cool, **Aaron Lorenz** poses for the camera.*

College Bound

Every year a college fair is hosted by the South Bay Union High School District. This year, the 1987 College Fair was held on the Mira Costa campus. That November evening was a perfect opportunity for students of the South Bay to receive information and ask questions of representatives from the 120 universities and state colleges across our nation.

Club Day!

October 23rd brought every club and organization to the quad for the live band, food, and fun. Clubs such as S Club, Key Club, and the new Art Club used lunchtime as a fundraiser as well as a chance to get the students at Mira Costa involved. Many clubs gave away cupcakes and other food to attract new members. Club Day has always proved to be a spirited day and this year was not an exception!

Born Leaders

On March 14 these 10 students were able to have the unique experience of becoming a leader for a day. Each person took the position of a particular Manhattan Beach/Redondo Beach City Office. They first spent an entire day at an orientation breakfast and tour of City Government. In leading up to a mock city council meeting of their own, they attended city council meetings and prepared an agenda regarding city concerns. This was an excellent opportunity to learn and understand true city government.

Encore, Encore

The Diary of Anne Frank was presented under the direction of Mrs. Holly Felt by the Drama Dept. on November 20-22. Liz Kelly portrayed a young Jewish girl and her family was portrayed by Genny Guneau and Brad Blair, who hid from the Nazis during WW2. The many hours and weeks spent on this production proved more than an encore.

Hannukkah is sung by the cast.

Mr. Frank comforts Mrs. Frank in the time of need.

Mr. Frank shows his fatherly love to Anne.

Peter observes Anne removing the Star of David.

Taking medicine is not Anne's idea of fun.

October 31st was a memorable night
It was full of ghosts, gobblins, and fright.
Everyone had so much fun
But all were scared and had to run.
The night was full of excitement and laughter
No one will forget it the day after.
On this rainy Halloween night
There were many screams, but most of delight.
So if ghosts and gobblins are something you don't believe
Just look back and remember this Halloween Eve!

The Last Perfect Day

In our youth we see ourselves as invincible, death is a fear that lies deep within the future and life is but a series of wonderful new experiences. Sometimes the path follows a detour and what follows is an excerpt from the last days of a former student.

"I think something like this causes us to take stock of our lives whether we want to or not," Paul's mother says, "Time is of the essence. It is precious. It is much more precious than we ever thought." Maybe in the end it is best to reflect that life is a journey and each day should be viewed as special. By living each day at a time we may all find satisfaction without longing for the last perfect day.

Off Campus Sports

Although Mira Costa offers a wide range of sports activities, many students choose to go beyond the curriculum and participate in other recreational activities. Some take advantage of the nearby ocean while others enjoy the breathtaking challenges of nature. So whether you're participating in an on or off campus sport, it's important that you're involved.

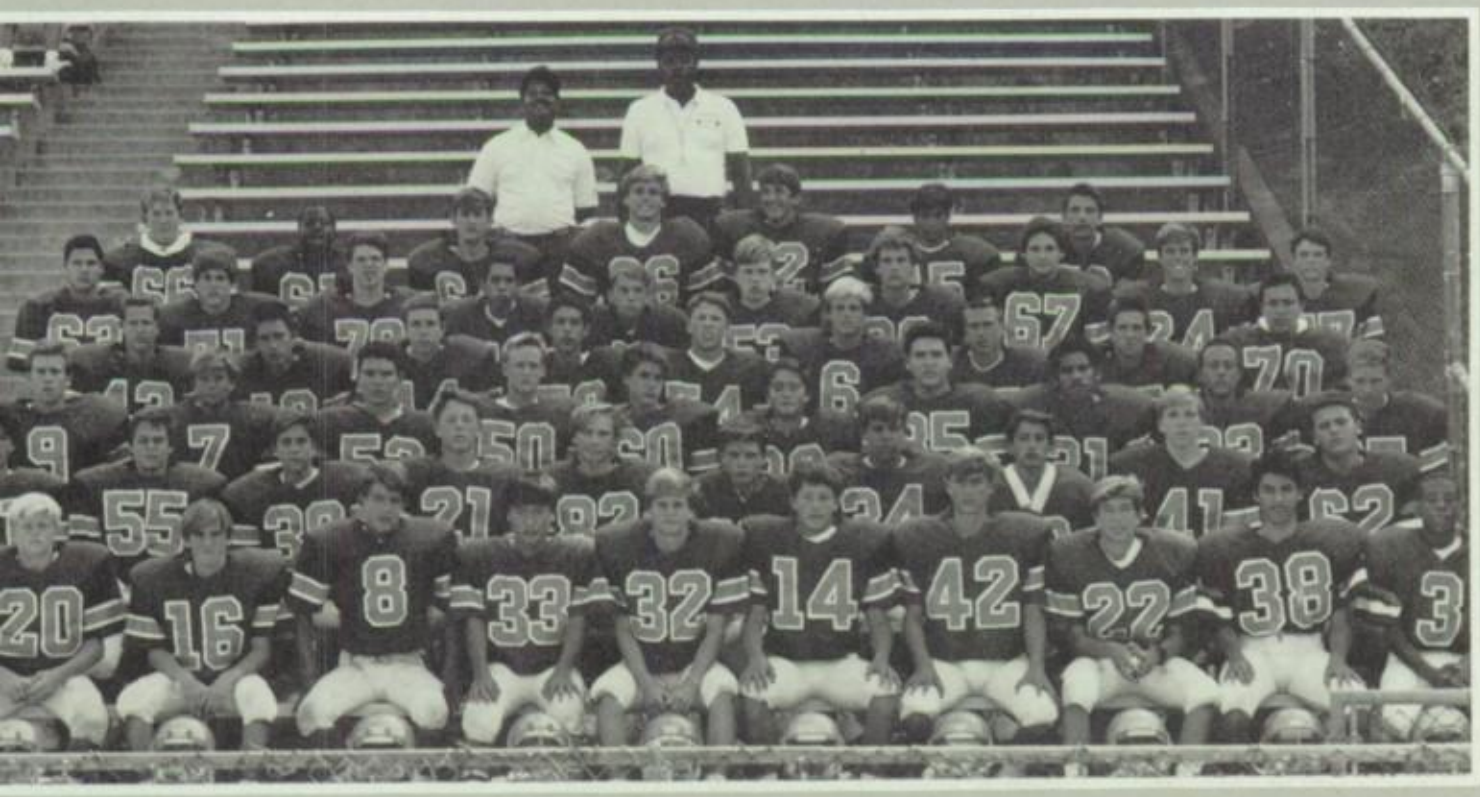
Rushing Forward

This young team showed its cohesiveness both offensive and defensively this year. Their strong offensive led by quarter back Jeff Diussa, James Frank, and running back Brett Morales showed great potential. Other outstanding defensive players were Craig Weems and Lloyd Whittaker.



Trying to elude the opposition, Simione Fonua makes a great effort to reach the goal line.

Taking time out from a strenous game, Daniel Nadeau, Craig Weems, and Scott McAdara try to quench their thirst.

Willing to risk facial rearrangement, Scott MacEachern dives for those extra yards.

Paying strict attention to Coach Timberlake, the Mustangs listen to instructions for their next play.

A Helping Hand

This year "S"-Club has continued their tradition of being a hardworking, dedicated service club. The girls play a large role to help those who are less fortunate by devoting a great deal of time and effort. The "S"-Club spends much of their time at local convalescent homes such as Bay Shores and Hunington.

Once again they participated in the 1987 Hometown Fair by sponsoring one of the Hot Dog booths. Other fundraisers include bakesales, car washes, and candy sales. The members are very grateful for their continued guidance of Sponsor, Mrs. Wilma Tafoya.

Meeting Of The Minds

Do you consider yourself an academic achiever? If so, have you considered joining CSF? In order to be a member you need to earn at least three A's and one B in academic courses each semester. If you qualify, contact either Mr. Muehl or Mrs. Nelson. If you are a member you will have the opportunity to participate in CSF half-day trips and maybe become a sealbearer at Graduation.

In turn, students from other countries have the opportunity to learn the American way. This is definitely an experience of a life time.

Playin' Around

This year's Thespian's, headed by President Genny Guneau, promises to be the best ever. The club is one of the most difficult to join at Mira Costa. It's an International Honarary Organization, so one must earn his way in. The club has many functions, being responsible for the plays at Mira Costa is just one of them.

MELANIE- Your friendship is so special, something that I will always treasure. You are the "Perfect" and the "Best" sister who has taught and shared so much with me. Thank you for always being there for me to either talk, cry, or laugh with. Although you will be away next year, I will always be here for you. I am going to miss you next year, more than words could ever say. - I Love You, MELINDA

MELINDA- Thank you for all the special memories and being there for me. You don't know how much I have counted on you over the years, and just not trips to the outhouse, and how much I'll miss you when I'm gone. It's hard to say how much I value our friendship, and though I don't always say it never forget how much I love you-MELANIE

GENNY

Genny
I have shared with you the sadness in my life;
I have shared with you the joy.
Your listening helps me to hear my own thoughts.
Your insight helps me to understand my own problems and your patience helps me to accept my faults.
You know when I need your advice, and you sense when I simply need you to be there
Everything I could ever want in a friend
I have . . .
in you.

Janeen,

I cried a tear,
you wiped it dry.
I was confused,
you cleared my mind.
We had many good times . . . I won't forget the
many times we shared
because we were in debt.
And I can't believe it's true
I can't believe it's time.
I needed you
and you were there
and even when I thought you'd be ashamed of me
you held my hand and didn't care.
You gave me strength
and helped the sadness end
I love you . . .
you are my friend.

JANEEN

KRIS & STEPH-THE BEST OF FRIENDS

MY BEST FRIEND

Whenever I need a friend you always seem to be there.
You help me with my problems and our joys together we share.
I can't imagine a life without a friend like you.
Once we get together we can an invisible two.
All the fun I've shared with you can never be replaced.
Together we've had many good times and conquered the problems we've had to face.
So I want you to know that I'm here, if you ever need a friend to make your thoughts clear.

A Special Poem for a Special Girl

There once was a girl
who is for evermore
on our minds,
in our hearts . . . and
in our future . . .

Look to the wind and hear her,
Go near a rose and take a breath,
Taste the fruit of the tree and . . . delight,
Walk in sunshine . . . and feel warmth,
See the stars . . and marvel . . .

She is all of these . . . and much more . . .

Or . . . sit quietly and think . . .
you will feel her smile . . .
for a while . . .
or for as long as it takes
to ***know her love*** *. . .*

This is God's gift . . . to ***all*** *who*
knew and loved . . . this very special girl.

Written with respect, to honor
the memory of Yvonne DeVicente
December 09, 1987

The Stars

The stars, how they twinkle so bright.
How they shine during the dark,
empty night.
They glow for everyone to see;
I watch as they smile and twinkle at me.
I love to watch a falling star
Watch it fly over far.
It gracefully soars through the sky,
Like a huge airplane passing by.
The stars-how they twinkle so bright.
How they shine during the darkness of
the night

She'll Live In Our
Hearts and Minds

It's been nice getting
to know you. Hope
you don't get lonely
out there in the big
military world. But
maybe you'll find a
cute little guy to keep
you warm on those cold
nights! :) Just kidding
Good luck

MISTER HOLMES...

.....well, well, well.

I can't say that this year has been

Love & roses, but I'm sure that along

with our differences it will help you in the

future. Have a good summer Ha! Hn! your friendly

D.I will see to it that you sip lots of booze & go to lots

of beach parties. On top of that you'll get lots of good food,

exercise now & then & mess around with BB guns. But any-

how have a time and forget everything on the outside and think

of nothing but boot camp writing letters & flapping lips are not as important

as inspections and rest before final rifle qual day so base your concentration

fully. Just in case you think for a minute that you were able to set to me and

force me to succomb to your way" YOU'RE WRONG SHITHEAD!!!!"
